## A Message From Our President:

First off, we want to say a huge THANK YOU to all of the volunteers and participants for the Father/Daughter dance. Our kids had a blast! I am excited to share with you that our PTO donated \$1200 to the Haymarket Food Pantry from the father/daughter dance. We look forward to the upcoming Spring events this March/April 2022 and are excited to bring our community together.

Best, Stephanie Fuller
